My Holiday in the Countryside

My May Day holiday was a happy holiday although I didn't travel. I went to my grandmother's house which was in the countryside. I got so close to the nature. The air was fresh and there were many green fields. My grandfather planted a lot of vegetables and I was very interested in helping him in farm work. I also had a big meal there with my family. My grandmother cooked lots of delicious food like lobsters, beef, potatoes, and fish etc. After dinner, I played basketball with my cousins. What a fun holiday!

I went to Qiandao Lake this May Day Holiday. There were a lot of mountains in the lake. Qiandao Lake was very beautiful.

I went swimming in the swimming pool and played in the pool with my good friend Liu all day. My father is good at fishing, so he could fish all day and all night. He was as happy as a child because He found a good place to fish. I ate a lot of fish. Qiandao Lake is a good place for riding bikes, I can ride a bike with my good friend Liu happily. We breathed fresh air and enjoyed charming scenery.

The trip to Qiandao Lake is fun.

My May Day Holiday

● During May Day holiday, I went to the Yandang Mountain, Yandang Mountain was high in the sky. I can see a lot of beautiful scenery. I enjoyed it very much. But the most exciting equipment was the chain bridge. when I was on it, I felt like I was in an earthquake. I was frightened to fall off the chain bridge. Thanks to my Dad's encouragement, I crossed the chain bridge safe and sound. The experience made an indelible impression on me.

I had a good time on Yandang Mountain.

● I had a wonderful and colorful May Day holiday.

On the first day, I stayed at home and did my homework. On the second day, I went to my hometown and had a big dinner with my grandparents. We talked a lot and had great fun together. The next day, I went to Drum Tower with my parents though I had a terrible cold. There were lots of people shopping and we enjoyed yummy food. The next day was the happiest, because my mother drove to Shaoxing with me together. We went to Shen Garden first and saw beautiful scenery. There were so many mandarin ducks swimming in the lake cheerfully. Then, we went to Former Residence of Lu Xun. It was so big that we were almost lost. Finally, my mother and I enjoyed a wonderful afternoon tea and went back.

During the May Day holiday, I had a lot of fun.

On the first day of the holiday, I went to my grandmother's home and had a big meal. On the second day, I went to IKEA and bought a sofa and a lamp with my parents. On the third day, I went to the Drum Tower and ate a lot of delicious food such as stinky tofu, fried rice cake, a fresh coconut and a cup of milk tea. Then I met an artist who designed my name in a special way. You can find the elements of plants and animals in Chinese characters. On the fourth day, I went to Ningbo Library and I read some interesting books. On the last day of the holiday, I went to the Younger Zoo with my family. I saw elephants spraying water with their trunks. I saw monkeys jumping in the tree. They looked funny!

A Wonderful May Day Holiday

I had a wonderful May Day Holiday this year. I stayed at home and read books on the first day. I climbed a mountain on the second day. The mountain is near the sea. When I climbed on the top of the mountain. I could see the blue sea and many ships. The view was very beautiful. It was worth to go to the beach. I picked up some shells in my bucket. I felt very tired but happy on that day. On May 3rd, nothing can be more enjoyable than a BBQ with friends near a pond. I really enjoyed the food and drink. We played some games and cooked the food by ourselves. It was very interesting. I stayed at home on the rest days and finished my homework.

My math teacher says although math is difficult, it's very important. I will try my best to study it well.

I have a brother. He has a pair of big watery eyes, smile narrowed into a seam. His favorite is to follow me every day. I do what he learned to do, like my tail. He also likes toy pistols, and if he finds one he likes, he'll Chase Me Down and make me buy it for him.

My brother, he is very naughty, but also very cute.
