Last summer vacation, I took Piano 8 level test. I still remember one of the most difficult piano pieces called. I practiced this music several days, but I couldn ’ t play it well. I felt very frustrated. But I told myself: “ Hang in there, you can do it.” I listened to how the masters played it and tried to feel the story and melody. To play well, it is not only my fingers touching the keys, but also my whole body dancing with the rhythm of the music. I practiced over and over for one month, finally I felt confident again and I could play the music very frequently. Do one thing at a time, and do it well. I believe I can.

Unlike people who live on the equator or in the North Pole, we have four seasons. Spring is green with flowers and songs. Summer is hot and we can enjoy ice cream. Autumn is golden and the farmers are busy. Winter is cold and we can make snowmen. My favourite season is Spring. The weather is usually warm and windy. I often take a trip with my parents on the weekend. We enjoy the beautiful scene on Siming Mountain. We share the fresh fruits in the garden. We play funny games on the grass in the park. I like green. So I like the green trees and grass in spring. I like birds. So I like the birds singing in the sky. Spring is so beautiful and fun. I like it.

There are many ways to get to a place. This weekend , I ’ m going to Ningbo Youngor Zoo. It is not far from my home. So I have many ways to get there.

Firstly, I can get there by the No.109 bus. I start from Wang Shengling Primary School. Get off at the supermarket. Then wait for the No.915 bus. Get off the bus and walk straight for 10 minutes. Finally, I ’ m at the south gate of Ningbo Youngor Zoo.

Secondly, I can go by bike. It ’ s convenient but it ’ s slowly. It takes about 35 minutes. That ’ s good exercise. And I can enjoy the beautiful scenery along the Dongqian Lake.

Thirdly, I can go there by car. It ’ s very fast. It ’ s only about 10 minutes.

You see, we can choose different ways to get to a place. Which one do you like?
